### Personal Statement

I am an energetic and enthusiastic person who enjoys a challenge and achieving personal goals. I have experience in website development, java programming data entry and android development. The opportunity to learn new skills and work with new technologies is particularly attractive to me. I am confident enough of completing the time bound and target oriented assigned task.

### Career Objective

To obtain an executive Web Developer/ Java Programmer position within an IT company. I want to apply my skills to an environment where they will make a significant impact on the society. I have a good working knowledge of many industry leading software applications such as Adobe Dreamweaver, Photoshop and Eclipse.

### Technical Expertise

This is the main fields of my interests -

- HTML
- CSS
- SEO
- Java
- Angular 2
- Cyber Security
- Data Processing
- Adobe Photoshop
- Adobe Dreamweaver
- Oracle Application Express

### Educational Qualification

Kendriya Vidhyalaya, Bharatpur

10<sup>th</sup>  
CGPA – 8.2

(2009 – 2010)

## Arcadia Academy, Kota

12<sup>th</sup> (2011 – 2012)  
Percentile – 72 %

## Amity School of Engineering, Noida

Computer Science and Engineering (2012 – 2016)

I Semester	SGPA – 7.61
II Semester	SGPA – 7.77 CGPA – 7.69
III Semester	SGPA – 8.11 CGPA – 7.83
IV Semester	SGPA – 8.35 CGPA – 7.95
V Semester	SGPA – 8.67 CGPA – 8.08
VI Semester	SGPA – 7.80 CGPA – 8.04
VII Semester	SGPA – 7.27 CGPA – 7.93
VIII Semester	SGPA – 7.92 CGPA – 7.93

Good Interpersonal Skills

## Project and Internship

---

### Pandeypriya E Solution

(Duration – 4 Weeks)

I performed training on Data Processing and Site Engine Optimization under the guidance of Mr. Vinod Choudhary. I learnt there to do data research, data entry, blog posting, link building and adding product on magneto e-commerce platform.

### Hydraulics

(Duration - 8 Weeks)

The project is submitted as term paper under the guidance of Dr. Siddheshwar Chopra at Amity University. The aim of the project is to study the basics of hydraulics and the fluids used in hydraulic, to understand the applications of hydraulics in today's world.

### Website Development

(Duration - 8 Weeks)

The project is submitted as in-house project under the guidance of Mrs. Sheetal Sharma at Amity University. The aim of the project is to develop a website using HTML and CSS. The project has been completed and live at [www.pandeypriya.com](http://www.pandeypriya.com)

### Defence Research and Development Organisation

(Duration – 3 Months)

During industrial training at DRDO, developed a mobile application that will allow the user to search for nearby hospitals with sign and symptoms of some common diseases like heart attack, sun stroke etc. The application provides first aid suggestion for these diseases.

### Acronym Retrieval from Wikipedia

(Duration – 3 Months)

During minor project in 7th Semester I have developed a java applet that will help the user who doesn't understand the meaning of acronyms. The applet will help the user by searching for the definition on Wikipedia and will also provide Hindi translation of that Acronym.

### Windows Application Development

(Duration – 4 Months)

During final year project I have developed a mailbox that provide high security to user by providing the IP address through which user login account. I have developed a sorting algorithm using supervised learning that automatically sort user data and assigns them to various categories providing easy accessibility to the user.

## Research Paper

---

### Automatic Email Classifiers Using Supervised Learning

The research paper is published in International Journal of Software and Web Sciences (IJSWS) in Issue 18 Volume 1 with Paper Code IJSWS 16-308.

## Association and Activities

---

### Love Care Foundation

(Duration – 1 Month)

Associated with Love Care Foundation NGO, I have provided free vocational training to poor children at their kalyanpuri center.

Interests:

Carron

Reading

Writing

Programming

Computer Games

## Additional Courses/ Qualification

**Core Java Programming** (Duration – 8 Weeks)  
This course is offered by Aptech, Bharatpur in which I participated and completed successfully.

**Ethical Hacking and Cyber Security** (Duration – 2 Weeks)  
I pursued Winter Training at i3indya technologies on Ethical Hacking and Cyber Security.

**Human Values and Community Outreach** (Duration – 6 Months)  
I participated in Human Values and Community Outreach Course which is offered in our college as an Elective subject.

**Microsoft Office** (Duration – 2 Months)  
I attended computer Summer Camp offered by Aptech in which basic knowledge about the Microsoft office has been provided to me.

**Military Training Camp** (Duration – 1 Week)  
I have opted for Military training as an elective during my 7<sup>th</sup>. In which I have done activities like para-sailing, rock climbing, march pass etc.

## Work Experience

**Software Engineer** (July 2016 - Present)  
I have undergone boot camp training in java technology where I have made projects using PL/SQL, Spring MVC and hibernate Framework. I am doing technical support for 6 applications. Along with that I have done testing in one delivery project and relevant coding part in 2 other delivery projects. I have developed project in Oracle Application Express from scratch. I have been provided Outstanding performance award for my work.

## Personal Profile

Date of Birth: 01 July 1994  
Father's Name: Mr. Sunil Kumar Pandey  
Permanent Address: 25, Yaduraj Nagar  
Bharatpur, Rajasthan  
Pin code – 321001
